Spread the Shade Plant a Tree

Tree Give-A-Way

(Native trees suited for this area)

Saturday, October 28, 2006

8:00 a.m. until Noon

at

1664 S.E. Walton Road

East of US 1 • Port St. Lucie

Spread the Shade - Plant a Tree Give Away is a program of the St Lucie County Cooperative Extension to help restore the tree canopy in our community. Trees are more than aesthetic pleasures, they provide shade for homes - cutting energy consumption and saving homeowners money, they improve property values, reduce localized flooding by soaking up rain water, remove pollutants from the air, provide a home for wildlife and much more.

After receiving pointers on tree planting and care, residents will decide which one of five tree choices will be best for their landscape. The adopted tree will be taken home and planted by the homeowner.

Special thanks to the Keep Port St. Lucie Beautiful Committee for a matching grant to help fund this project.
